Take a step back in time with this charming craftsman home located near the edge of Southport Landing / Table Bluff. Enjoy a view from every room of either the beautiful coastal cypress trees, whispering grass in the open acreage or the blue waters of Humboldt Bay. This unprecedented home has 7 bedrooms, 4 bathrooms, large dining room, living room and large family room with a pool table to host the best of times! All of furniture (except some personal pieces) is included in the sale. Continue to walk through time with wood floors, sliding pocket doors, a wood-crafted staircase and enchanting light fixtures that catch all of the buildings' history. Turn-key possibilities for a beautiful Bed & Breakfast or make it a dream home come true.
